

SUNJEWELS

Vision

At Sunjewels, we endeavour to be the trusted and preferred manufacturer of precious jewellery for leading retailers and brands worldwide. We aim to achieve our goal by building on our founder's values of innovation, by understanding our customers and suppliers, and by nurturing the talent and passion of our people in a culture of continual improvement. We strive to build a globally respected organization that fulfils the needs of all our stakeholders including the environment.

Core Values

Conducting business in legal, ethical and accountable manner

Promoting RJC's Responsible Best Practices into entire Value Chain

Combating Money Laundering and Finance to Terrorism

Uprooting all forms of Bribery and Facilitation Payments

Fostering Kimberley Process Certification Scheme and World Diamond Council's System of Warranties

Discouraging all forms of Child Labour and Forced Labour

Providing Better Work Environment for the Development of all our Employees

Making Equal Opportunity certain to all our Employees with Non-Discrimination

Respecting Human Rights and Human Values towards all our Stakeholders including Employees

Availing Highest Standards of Environment, Health and Safety for Safe Workplace

Preventing Environmental Impacts of Operations by applying better Engineering and Managerial Controls
